

THE TILLER

Lake Worth Sailing Club, Est. 1935
October, 2018

Commodore's Corner

2018 is quickly slipping by and the North Winds are starting to blow. With the change of seasons it is time to start thinking about changes at the club. The Annual Business Meeting and Board Elections are right around the corner, the meeting date has changed this year to help us get a better turnout as we will have 12 members sailing in the Harvest Moon Regatta the last weekend in October. Start thinking about how you want to serve your club in 2019.

I want to thank my fellow Board members, Social Committee and Fleet Captains as they have all worked very hard to make Lake Worth Sailing Club better in 2018.

Looking forward, Lake Worth Sailing Club will be hosting a Sea Scout Ship for the remainder of this year and hopefully for years to come. Sea Scouts are a coed branch of the Boy Scouts of America and is open to young folks ages 14 to 21. We will be looking for members to help out in this endeavor. You can direct your questions to either Mike Sontag or Bill Heirendt.

Jan Smits was out on Lake Worth a few weeks ago and took some very nice photos during one of the club's races. He (she) has agreed to allow the TILLER to publish them for everyone's enjoyment. Here's one, more to come. Thanks, Jan!

THIS WEEKEND!

Ahoy! From the Treasurer

Happy Fall! I would like to give a special shout out (thank you) to every member who has paid their membership dues and marina fees promptly throughout the year. As you know, LWSC has bills and other financial responsibilities, and cash flow is always a critical issue for any organization.

Please help to ensure the club ends the year in a strong fiscal position by ensuring that your account is current by December 1, 2018. If you have any questions about your account balance, please email me at your convenience.

Finally, there was a bit of confusion in October for those who wanted to make payment online. Quickbooks only allows payment through invoices. The emails that include invoices will have a link allowing for payments. Statements only allow members to review their account activity. You can not make a payment from your statement email - there is no link provided.

As always, if you have any questions or concerns, please let me know. I'm always happy to help.

Best,

Dustin Phillips
