

THE TILLER

Lake Worth Sailing Club, Est. 1935
July, 2019

Commodore's Corner

It seems like Summer has finally started, it's hot, it's humid, and did I mention it's hot! Please keep in mind, drink lots of fluids, wear sunscreen and try and cool down in the shade or in front of a fan.

All, we are looking for a skilled individual or individuals who can repaint/refinish the west and south clubhouse signs. Please contact the Commodore or Vice Commodore if you're interested and thank you.

We have done a rough count of the land-destroying Geese; We now have over 50. PLEASE DO NOT FEED THEM AS THEY ARE DESTROYING OUR GROUNDS. You may notice dog-sized droppings covering our front and back beaches as well as some of our docks (droppings about every 2-3 feet). These are unwelcome pests.

You may have noticed several small improvements we've made to the club:

- Brian and Cindy McMillan have brought in 7-8 dump trailers worth of dirt for our low spots/sinkholes and voids. (this is being spread out by the Commodore).
- Ron Bracy, Kevin Culver and Jack Speigt donated three picnic tables.
- Linda Holcomb for has redone the flower beds on the west side of the clubhouse.

- New refrigerator for the kitchen

Upcoming improvements include:

- New patio fans for north porch
- New entryway on east dock, with new Trex decking (Thank you Andy Bahr for your hard work)
- New decking for the committee boat
- Clubhouse and outbuildings paint.

Any help\Volunteers would be appreciated.

Club Cleanliness: (it has been reported by several members, that doors are being left open, dishes are left out and general food\drink related messes are being left behind). While we do have a club cleanup schedule, it seems that it's not being worked on most weekends. While we appreciate everyone that does help out, if we all pitch in, this becomes a very small job and the beauty of our club will stand out. Please help where you can with the cleanliness of our club. (pickup your dishes\trash\toys\life jackets\coolers\towels and other items).

Check with Julia Wayland if you wish to participate in "Man Overboard Drills". Due to the recent loss of life on Eagle Mountain Lake, it only makes sense to get an idea of what to do in case of a MOB. While wearing a life jacket is a great first step, the person overboard still needs to be rescued. I will be volunteering to be the MOB. Please come out in your boat and learn what it takes in a calm and friendly environment.

Thank you

Aaron Brandt, Commodore

Still more rain falls on LWSC. Check your boats, drain standing water before the mosquitos find it.

Community Corner

This is a spot for members to share ideas, tips, recipes, etc.

Here is a DIY cleaning solution for boats and fabric provided by Pat.

Formula A

- 1 qt Hot water
- 1 Tablespoon Baking Soda (Sodium Bi-Carbonate)
- 2 Tablespoons Washing Soda (Sodium Carbonate)
- 2 Tablespoons TSP

Formula B

- 1 qt Hot water
- 2 Tablespoon Baking Soda (Sodium Bi-Carbonate)
- 2 Tablespoons Borax
- 1 Tablespoons TSP

The above have been tested and will remove and help prevent mildew in boats and on fabric. As always, test fabric in non-obvious spot first to check color fastness.

These are put into spray bottle, sprayed on area and wiped off. Formula A tested the best for helping prevent the return of mildew.

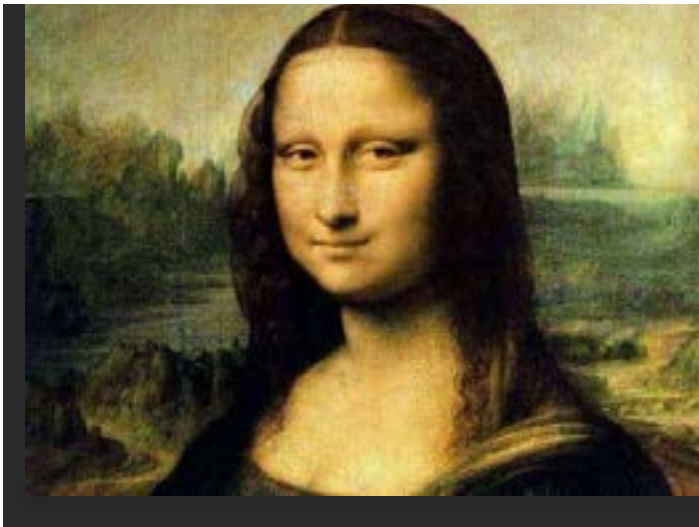

Race committee chair Larry Sallee presents skipper Bill Heirendt and crew Andy Bahr and Ted Hubble the Canada Cup trophy. Heirendt also won the Commodore's cup the following weekend.

Painting with a Twist

Hi all, In the heat of the summer the club is putting together a cool private gathering and painting event for all to enjoy!

Event: Painting with a Twist

Location: 2605 S Cherry Ln. Fort Worth, TX 76116

Date: August 24

Time: 7:00 p.m.

Password for registration: PARTY (all uppercase)

To register, please go to <https://www.paintingwithatwist.com/studio/fortworthwest/event/2124402/> or google painting with a twist, select the Fort Worth West location, go to the calendar and find the date. You will need to enter the password to register.

The event is BYO. Some snacks will be provided. More are always welcome!

No experience is necessary, we will be guided through creating the painting step by step by an instructor. The design we will be doing are two different but complimentary pieces that can be put together to create one larger image for the couples who want to come but don't want duplicate paintings in their home. The pieces can also stand alone as independent paintings.

You can view the piece when you go to the group link on the web page.

If you have any questions, please call or text Hulia at 214.597.7981.

Hope to see y'all there!

Julia Wayland

2019 Board of Governors and club officials

Commodore, Aaron Brandt, 360-201-7674
