

THE TILLER

Lake Worth Sailing Club, Est. 1935
September, 2020

Commodore's Corner

Things we got done this weekend.

- The derelict trailers have been removed and recycled. Thank you to Brian McMillian, Dan Lewis (guest) for helping us. Please do not take the tires stacked by the lift shed, we will be using these on members' trailers with flat tires, so we can move them around. Please try and take care of your boats and property.
- The sprinkler system has been repaired. It needs to remain turned on, please do not turn it off.
- Thanks to Andy Bahr for putting in another finger dock. Only two left on the East side.
- Cleanup around the club. I have been mowing around the grounds, picking up trash and other materials, trying to make the grounds look better. I cannot do this all by myself in a reasonable amount of time. The south beaches

are in need of cleanup. Please come out and help cleanup.

- Thank you to Peter Szok and A.J. Rother for helping with the weed whacking. Thanks to Carl Perry for mowing (I believe he had fun). We still need a lot of volunteers to help keep the grounds clean. It's 3.5 acres. (please contact Ted Hubble or myself).
- Thank you to David Stokely for donating boat hardware, lines, life jackets and other associated gear.
- Thanks to Tom Kazmarek for donating some Tyvek suits for boat work.

We have an in-house regatta this weekend (Saturday), details are on the website. Three races starting on Saturday, three boats of the same type constitute a fleet. Please come out and play! We should have quite a few sunfish, I hope to see some keelboats as well.

Aaron Brandt, Commodore

Race Captain Report

The committee boat *CROW* is fast approaching re-launch. I am working on some trim pieces at the stern and have completed the solar panel installation. I am working on a four foot storage box/seating and we need to decide what to do for the helmsman's seating.

Aaron has had a welder install drain ports in the stern of each tube so water can be drained out if needed (Thanks Aaron)

Trey has volunteered to hook up the electrical. If someone would volunteer to replace the bimini on the boat it would be a big help. The game plan is to have *CROW* completed and ready for the naming ceremony by the end of September.

Pat Hollabaugh, Race Committee chair

From the Treasurer:

We are sending out invoices to members who use a credit card to pay their monthly dues and fees.

We are doing this to recover the fees that are being charged back to the club. It is stated on your invoice that you will be charged the fee but our billing system does not allow for that. For years the club has been charged close to \$1500 a year for these fees.

To eliminate the credit card fees, we ask that members set up their monthly payments through their bank. You can set up a monthly payment and not have to worry about it.

This invoice covers January through August. We will send out another invoice at the end of this year for September through December.

Thank you for your help in recovering these fees.

Cheryl Springer, Treasurer

THIS WEEKEND!

LWSC Goatman Mini Regatta

WHO: The skipper must be an LWSC Member or applicant.

WHEN: Saturday Sept. 12

Registration: 8:30 on the porch

Skipper's Meeting: 9:00 AM on the porch

First Race: 10:00AM

Second and third race to follow

Lunch on the water when PRO decides

WHAT: Course to be announced at Skipper's Meeting. This is a three race, regatta. Award presentation will be on the porch following the last race.

Three boats constitute a fleet and will be given their own start. All other boats will be scored on our regular handicapping scoring system using corrected times.

Bring your boat, bring your crew and bring your lunch.

Racing is back!!!

Pat Hollabaugh, Race Committee chair

Club Cleanup Roster

<i>Week of</i>	<i>Member</i>	<i>Member</i>
September 13	Charles Stokely	Christopher Hayes
September 20	Matt Mason	Bill Heirendt
October 4	Phillip Stuckey	Dean Hill
October 11	Peter Szok	Roy Hinrichs

For Sale: Montgomery 10.

Montgomery 10 (Google it) one-design sailing dinghy. Designed by Jerry Montgomery. Beautiful classic lapstrake look in fiberglass, sliding gunter rig, teak trim, mahogany rudder and daggerboard, aluminum spars, excellent sail, rigged and ready to go.

Rows well (oars included) and can mount a small outboard. Built in flotation, nice trailer included (photo shows trailer before restoration), tows and launches easily. Boat can be inverted on trailer for storage.

Perfect boat for messing around, would be great for kids. \$800. Hal Normand, 817-937-6715.
